"ECHOES OF EARTH IN HAIKU"

NEMOPHILIST ECONUTS FOR GREEN PLANET

"ECHOES OF EARTH IN HAIKU"

Nemophilist Econuts Create a *haiku*

Haiku is a form of Japanese poetry made of short, unrhymed lines that evoke natural imagery.

Brainstorm your haiku

1

Pick a theme.

Nature, seasons, emotions, or something personal

2

List words that match your theme.

At least five descriptive words or phrases

3

Think about your senses.

How does your haiku....

sound?

smell?

look?

feel?

taste?

Haiku example

Autumn leaves falling

(5 syllables)

Golden hues in crisp cool air

(7 syllables)

Earth whispers softly

(5 syllables)

Write your own haiku

Use your brainstormed words and senses to write a haiku.

• Line 1 (5 syllables):

• Line 2 (7 syllables):

• Line 3 (5 syllables):

Sun skips through the trees
Bottles bounce into the bin
Nature claps with joy

Nati - Romanian Team

River smiles again
Hands unite to clear the waves
Fish dance through the blue

Nati - Romanian Team

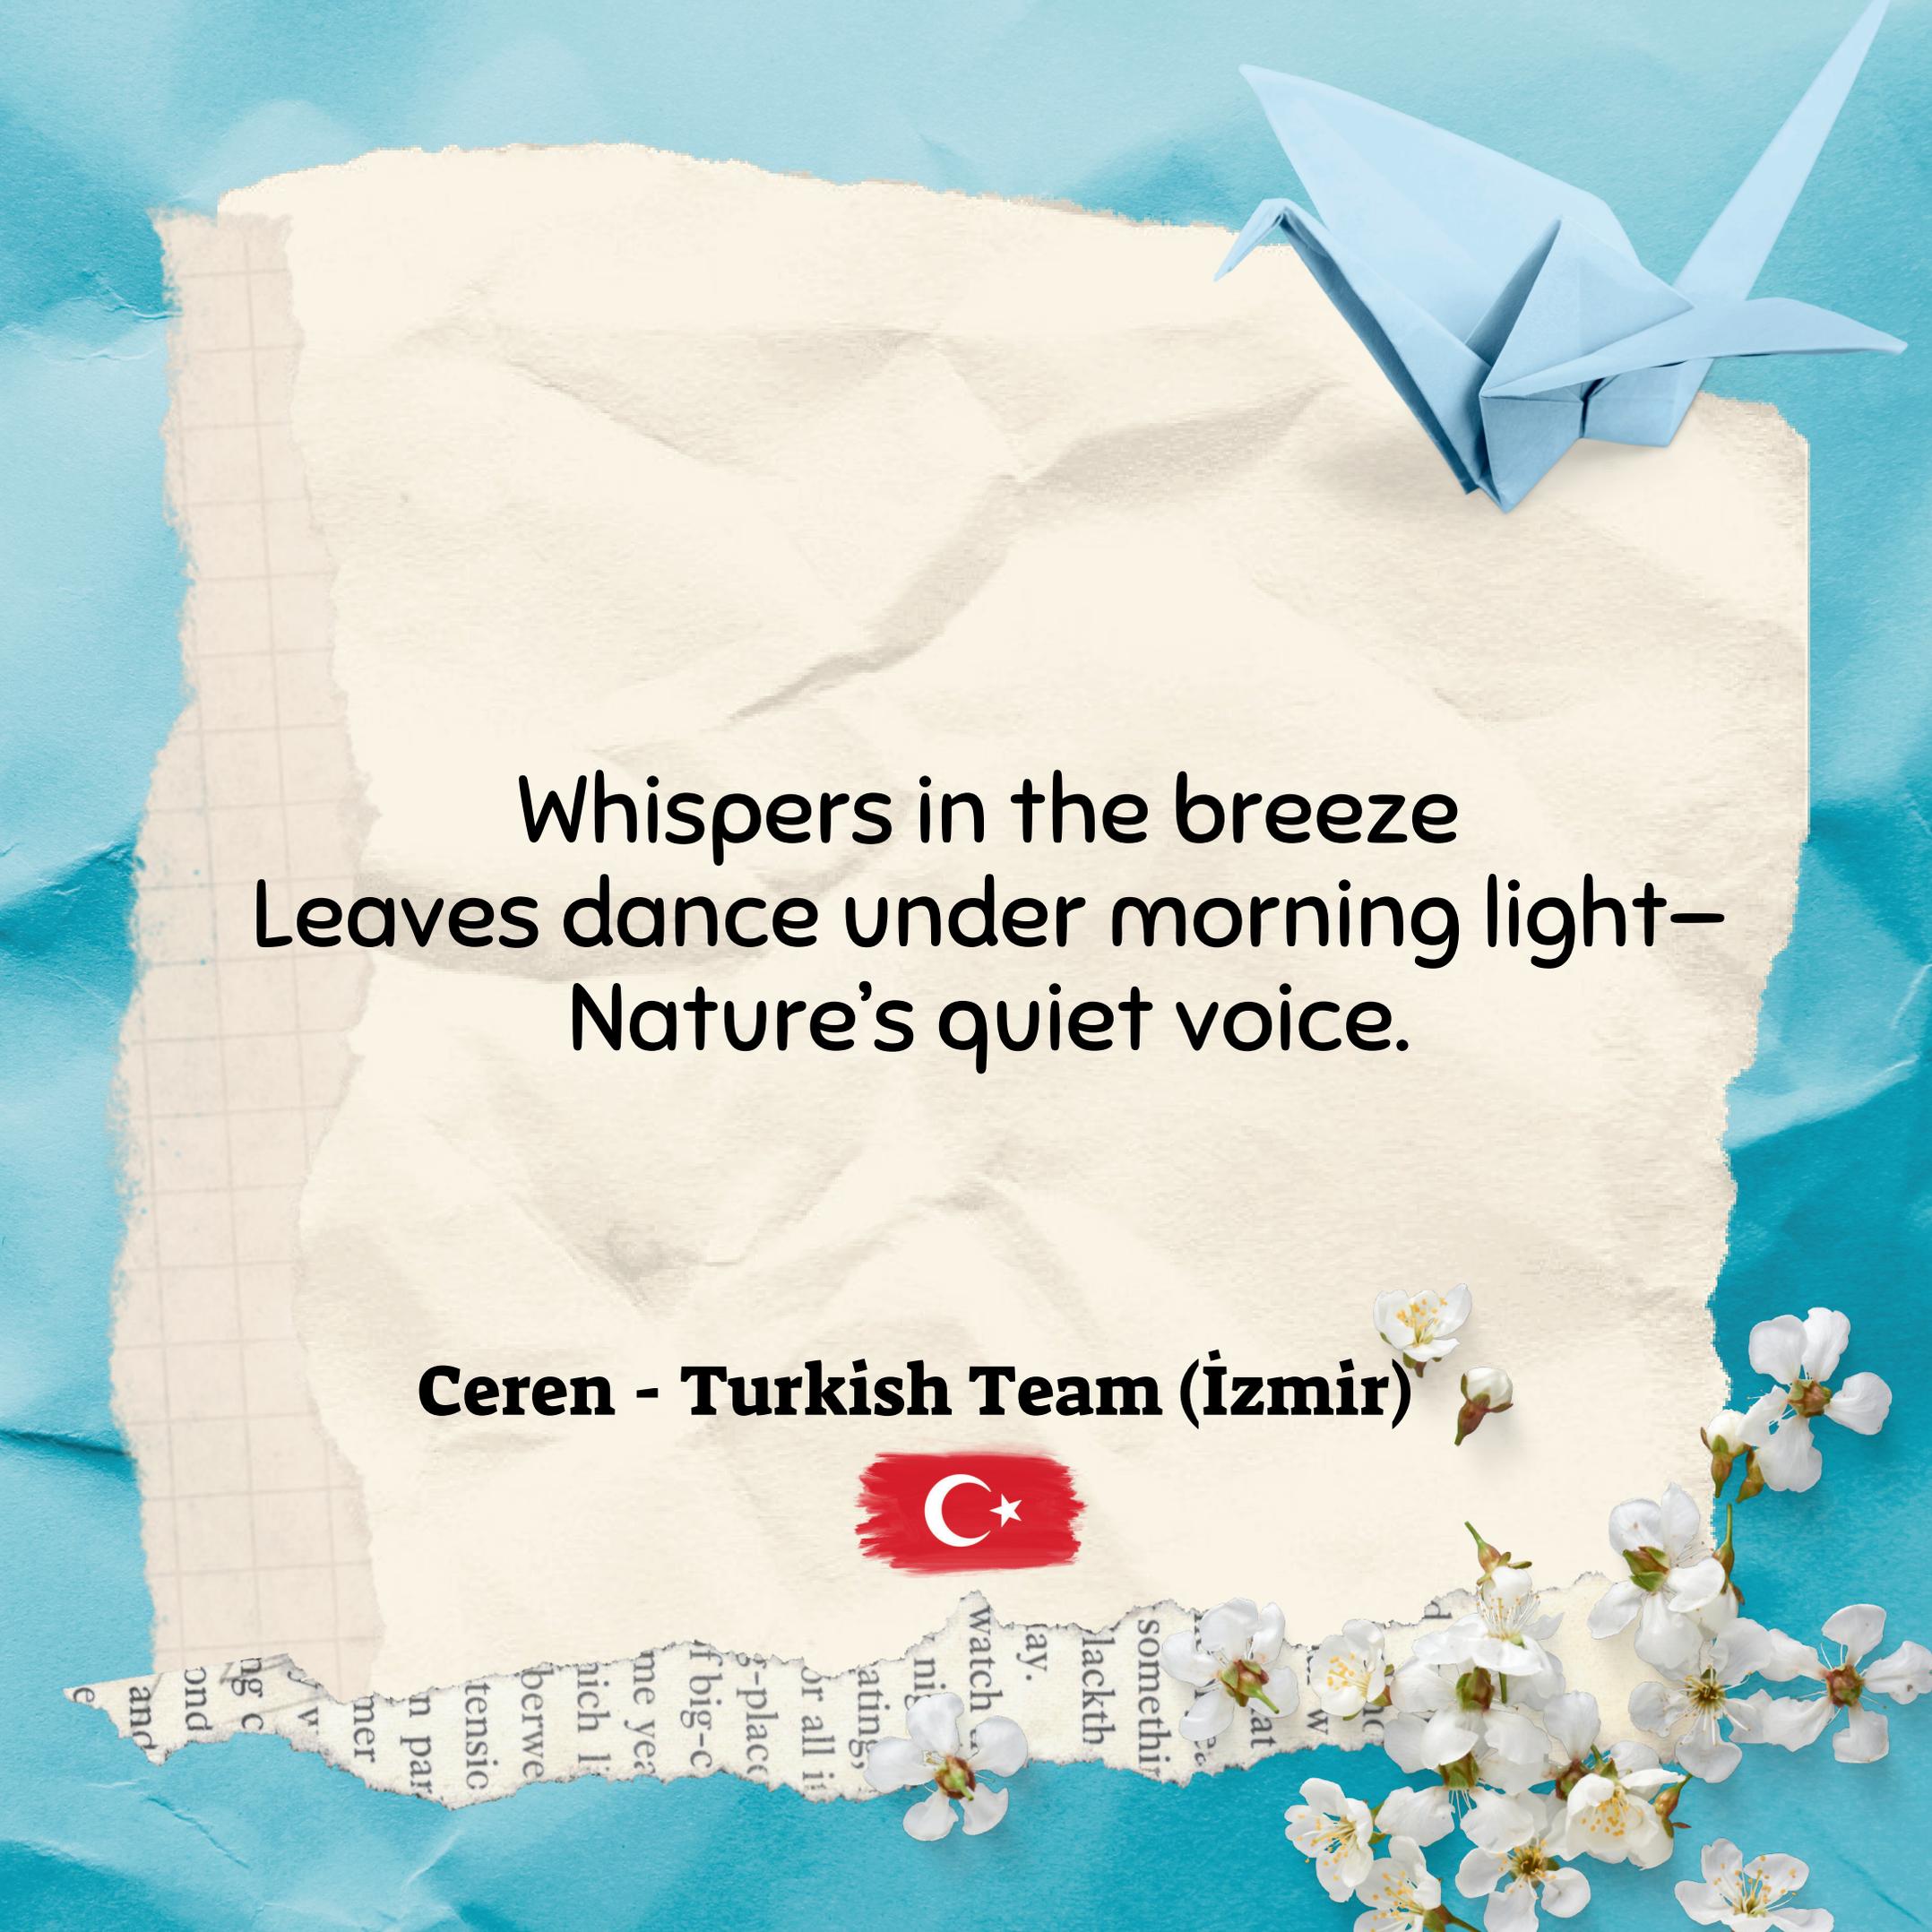

Golden sun shines bright
Waves crash with warm salty breeze
Sweet, lazy long days

Andrei - Romanian Team

Whispers in the breeze
Leaves dance under morning light—
Nature's quiet voice.

Ceren - Turkish Team (İzmir)

Silent morning breeze
Whispers through the blooming trees
Spring wakes with soft light

Ekin - Turkish Team (İzmir)

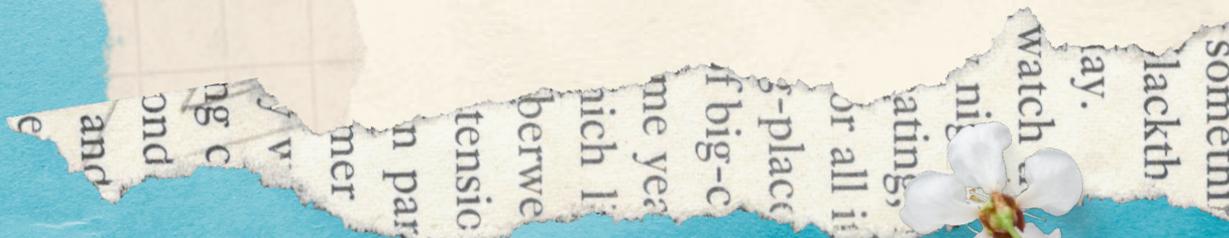

Soft wind in the trees
Leaves dance under the blue sky
Nature breathes in peace.

Yağmur - Turkish Team (İzmir)

Whispers in the breeze,
Petals fall without a sound—
Spring forgets to stay.

Toprak - Turkish Team (İzmir)

Mountain mist drifts slow
Pine trees reach with silent-
Earth holds its breath

Damla - Turkish Team (İzmir)

A gentle breeze blows,
Leaves dance, a whisper of calm,
Nature's sweet soft song

Çınar - Turkish Team (İzmir)

Blue sky and white clouds,
birds fly high above the trees,
sun is warm and bright.

Eymen - Turkish Team (İzmir)

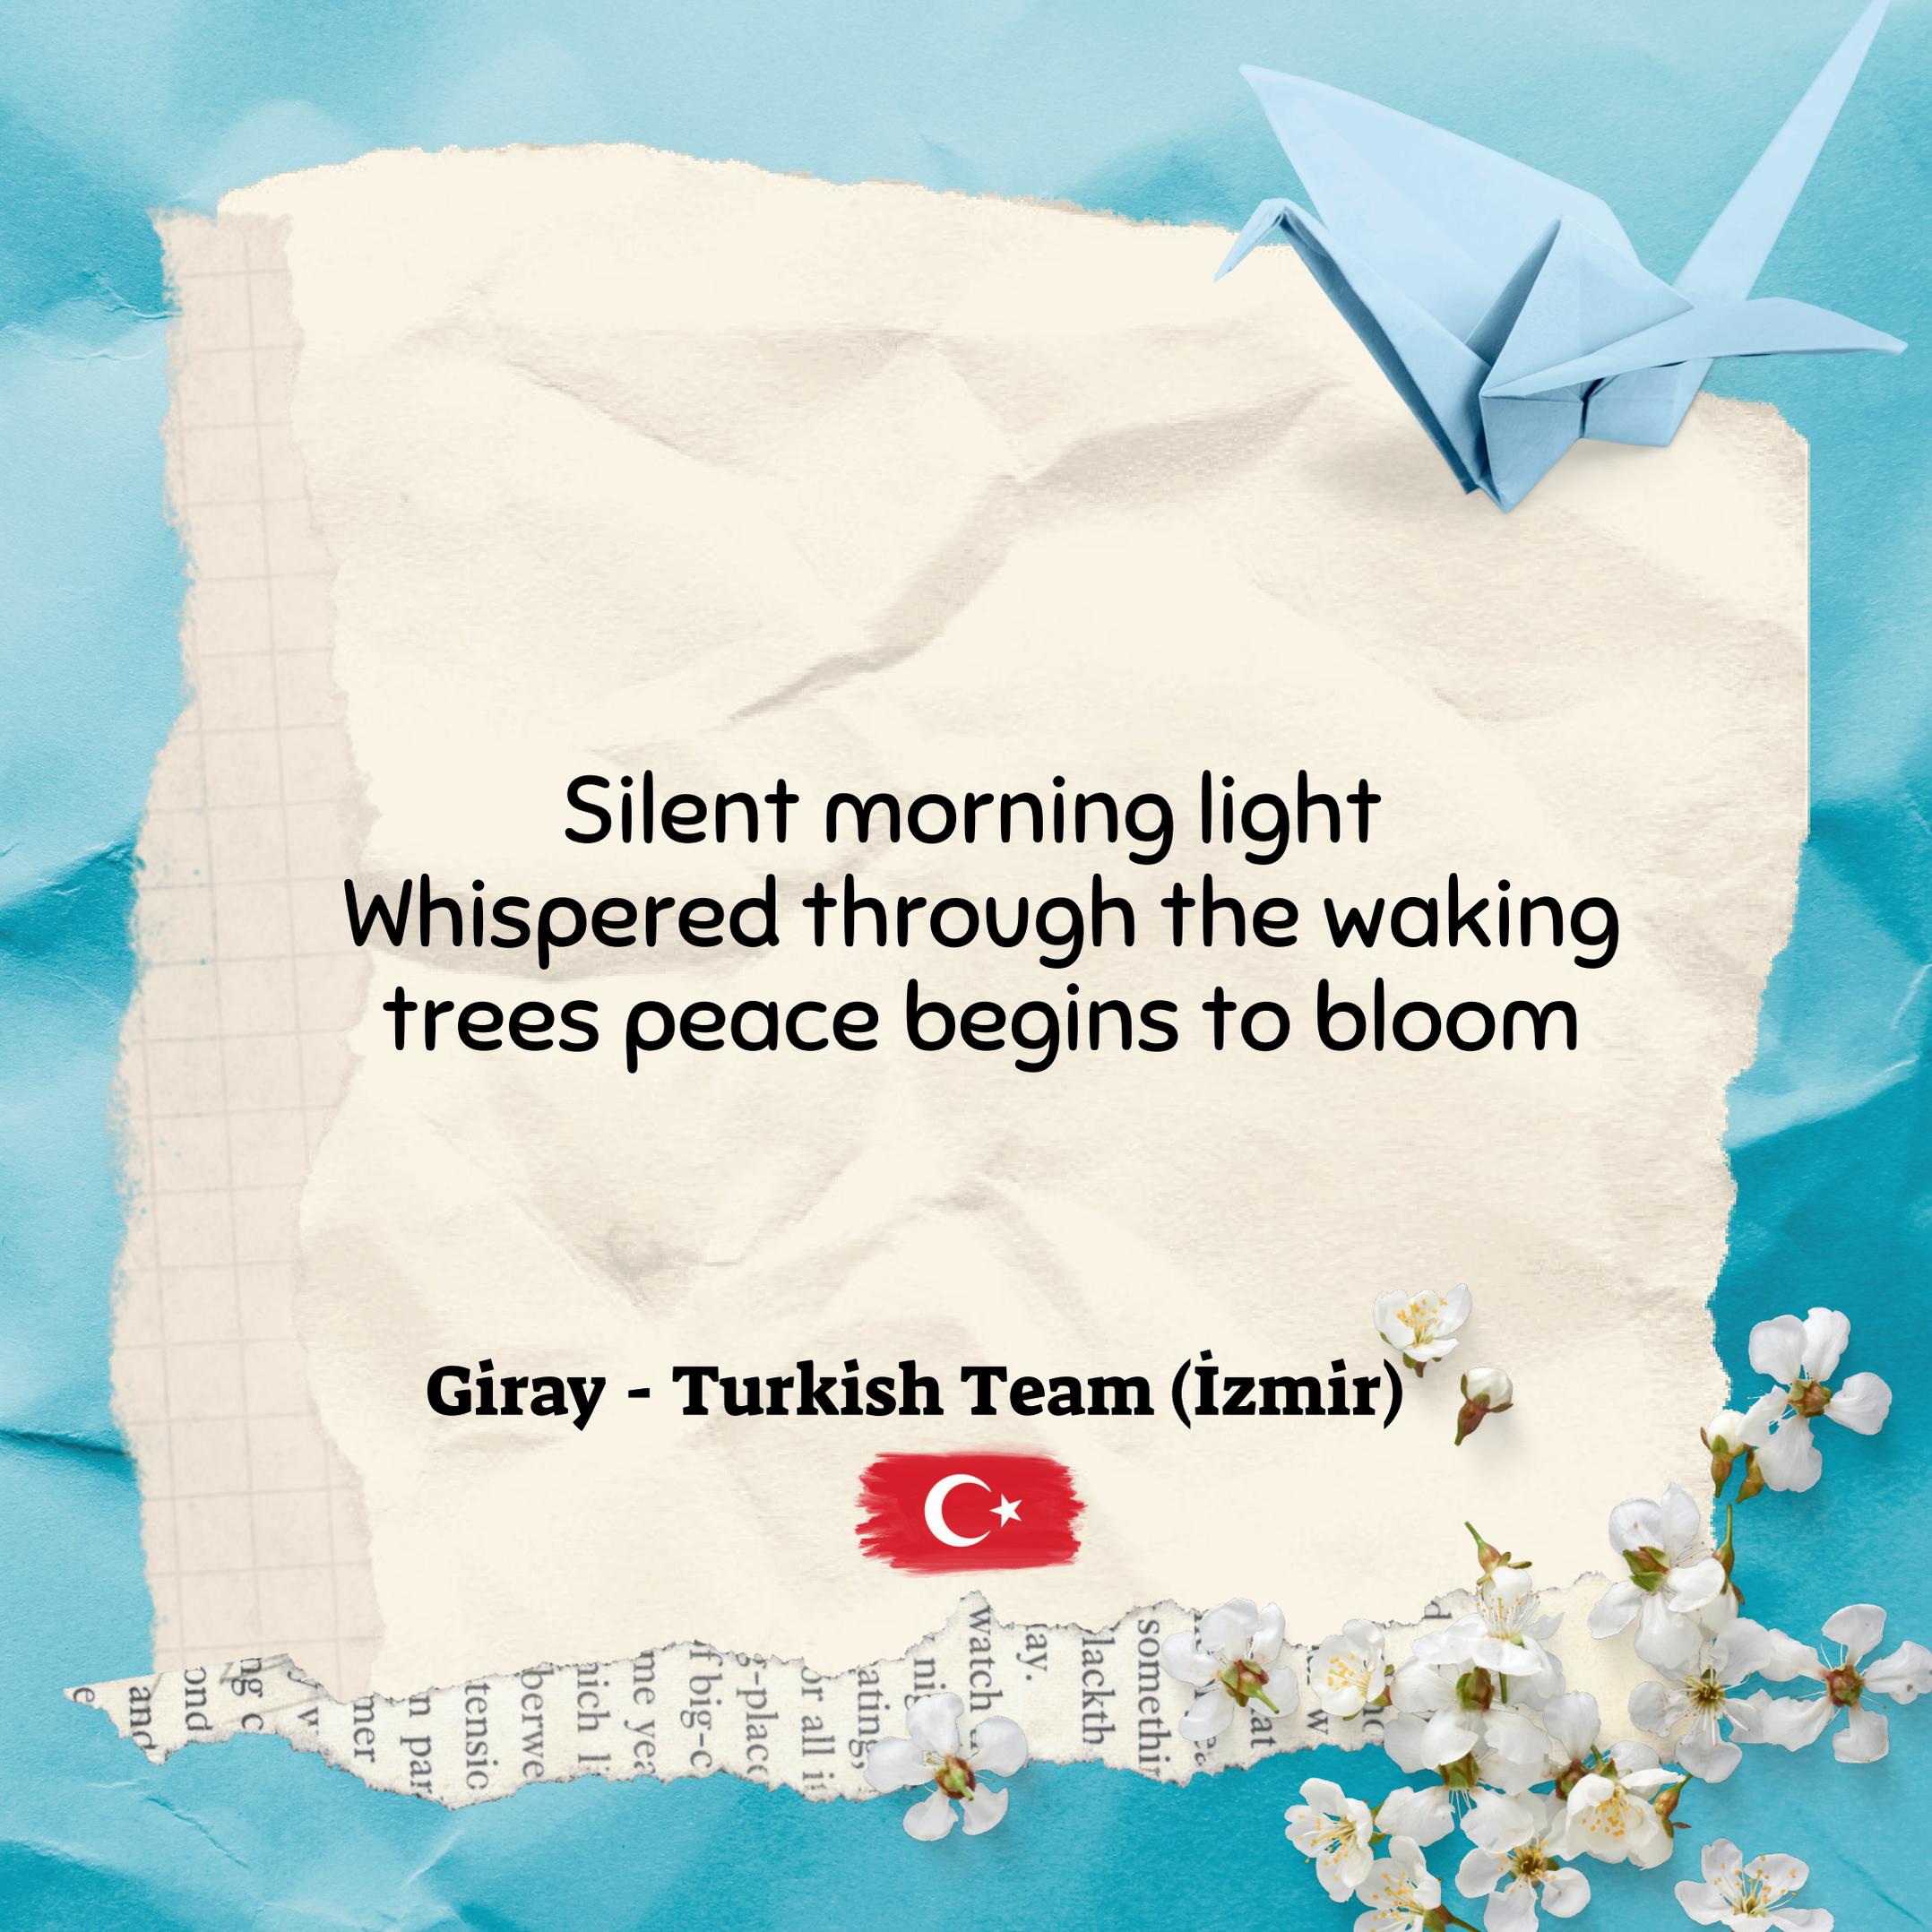

Whispers in the breeze,
Mountains touch the sky so high,
Stars kiss night's cool face.

Mira - Turkish Team (İzmir)

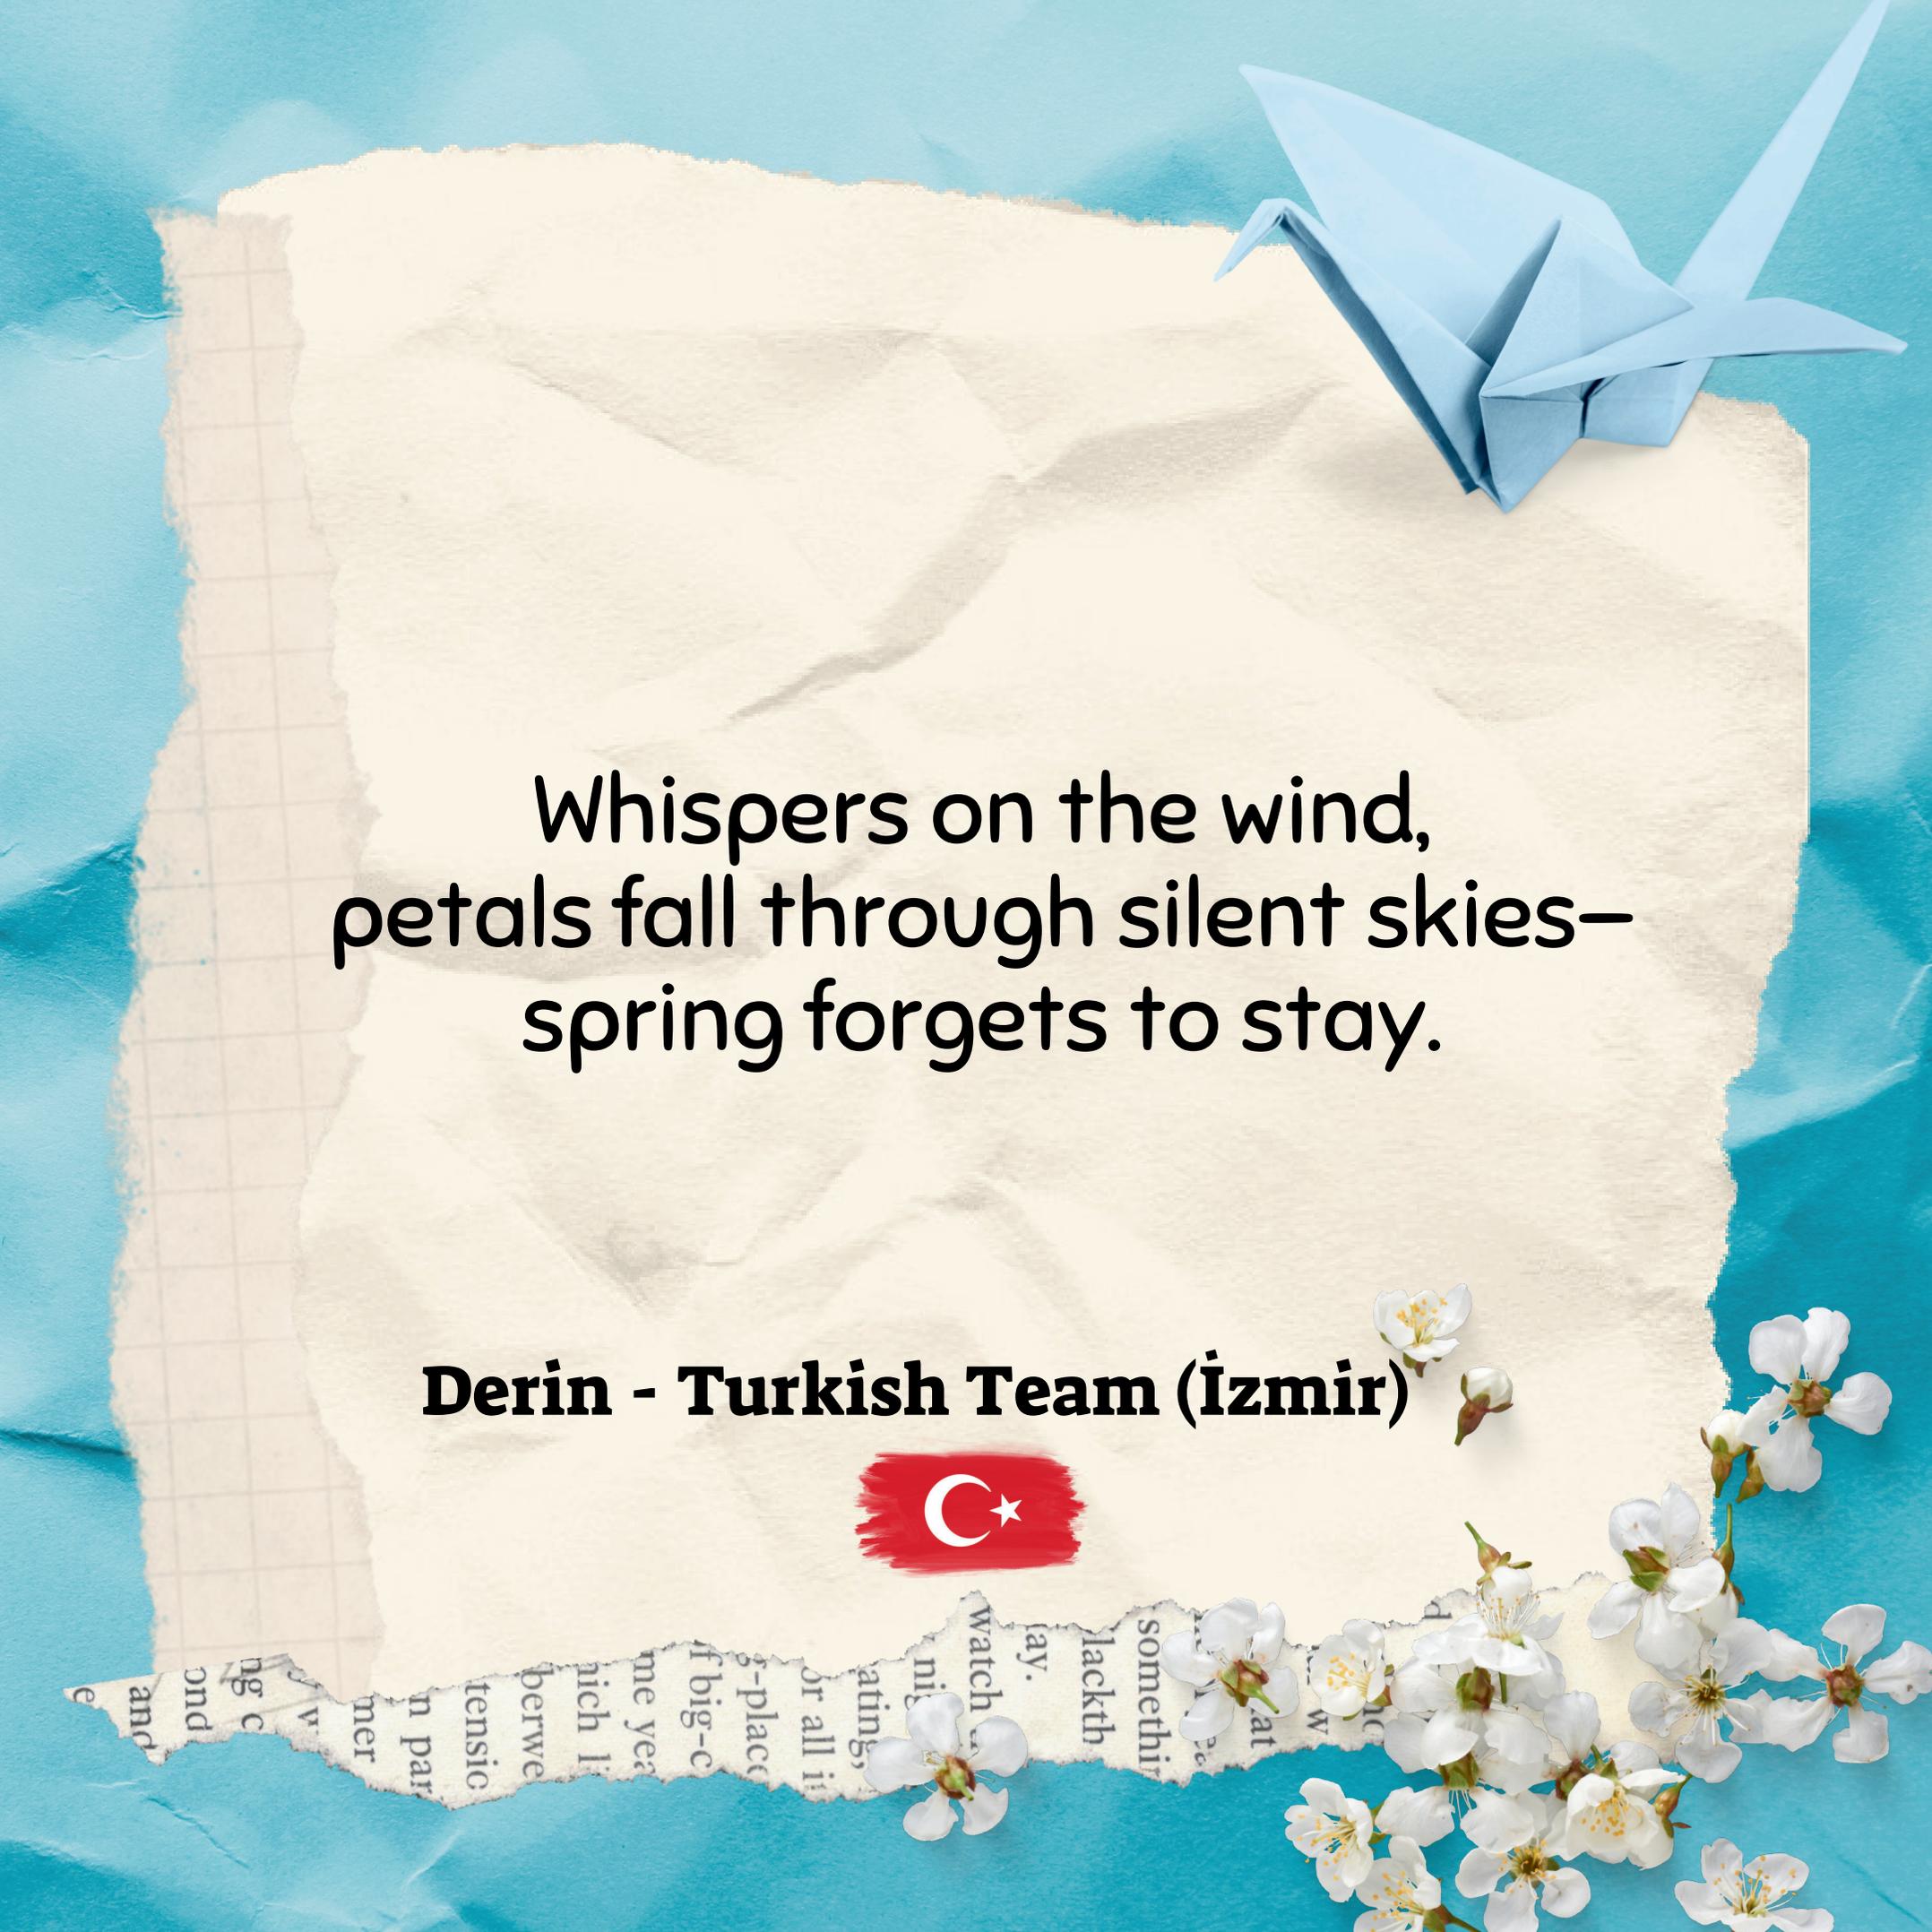

Silent morning light
Whispered through the waking
trees peace begins to bloom

Giray - Turkish Team (İzmir)

Whispers on the wind,
petals fall through silent skies—
spring forgets to stay.

Derin - Turkish Team (İzmir)

Morning dew glistens
Whispers rise with gentle breeze
Sunlight warms the day

Eylül - Turkish Team (İzmir)

Whispers through the leaves,
ancient roots guard quiet truths—
green breath, ever wise.

Krunoslav - Croatian Team

Soft breeze on my face,
Chirping birds in blooming trees,
Spring sings in the sun.

Magdalena - Croatian Team

Sunlight warms my skin,
Buzzing bees and ocean breeze,
Sweet fruit on my tongue

Petra - Croatian Team

Leaves fall without sound,
the sea listens from afar—
stillness speaks for all.

Necip - Turkish Team (Bodrum)

Forest deep in green,
whispers old tales to the wind—
roots clutch ancient ground.

Nihan - Turkish Team (Bodrum)

Rain drips through green leaves,
Tropical fruits glow with light
Rainbow crowns the trees.

Defne - Turkish Team (Bodrum)

Salt air and soft light
A hermit crab finds a home
Summer in a shell

Diren - Turkish Team (Bodrum)

Summer night whispers
Fireflies trace the air with light
Cherry trees dream in shades

Masal İsra - Turkish Team (Bodrum)

Whispers through the trees
Sky paints dreams in shades of blue
Wind hums ancient songs

Rüzgar Doğu - Turkish Team (Bodrum)

Love is in my hug
Happiness and Empathy
Heal the coldest hearts

Angelica - Italian Team

Green leaves softly fall
Birds sing through the quiet wood
Flowers kiss the Earth

Michele - Italian Team

Waves kiss the shoreline,
each retreat a soft promise
balance lives in blue

Luisa - Italian Team

Stars bloom in night sky,
oceans cradle moonlight dreams
nature's quiet pulse.

Paola - Italian Team

Leaves fall, I exhale
grief and beauty intertwining,
time forgets my name.

Tania - Italian Team

NEMOPHILIST ECONUTS FOR GREEN PLANET

WHAT IS "HAIKU"?

- A haiku is a short, unrhymed poem. The structure of a haiku in English typically follows a three-line, 5-7-5 syllable pattern.
- They originated in Japan and are now written in many languages worldwide.
- Haiku traditionally focus on nature and the seasons, but modern versions explore a wide range of topics.

THANK YOU!

Speak little, mean much — the soul of a moment!
